

INTERNATIONAL FINANCIAL REPORTING STANDARDS

(IFRS CERTIFICATE PROGRAM)

Overview

International Financial Reporting Standards (IFRS) is a set of accounting standards to provide a global framework for how public companies prepare and disclose their financial statement. The enhanced comparability of the companies' financial information and the improved quality of communication to their stockholders, decrease investor uncertainty, reduce risk, and increase market efficiency.

What is the need for IFRS?

IFRS has been adopted by more than 120+ countries across the globe. India & UAE have revised the law to enforce IFRS implementation. Migrating Accountants to Canada, Australia, New Zealand & Europe will have competitive edge with their knowledge on IFRS. So, there is an immediate need to improve our knowledge in IFRS.
